NEW Food Policy for Restrictions/Sensitivity

As of September 1st 2018 all students who have Food Restrictions or Sensitivity must provide a Doctor's note for each school year. If a doctor's note is **NOT** provided, your child will be given the posted snack and posted lunch menu.

Our Snack Menu and Lunch Menu are on a 4 week Rotation and are posted outside of each classroom and on our school website as is this policy.

We are following the recommendations from CCEYA and our Ministry Licensing Department.
